
Duurzaam bouwen | gezond bouwen,
al 25 jaar de basis van onze ontwerpen:

- thermisch comfortabel
- extreem laag energieverbruik
- hoogwaardig binnenklimaat
- milieubewust materialiseren
- passief, biobased, circulair

* waar sta je?
* wat ga jij doen?
* wat kun jij hierin voor anderen betekenen?
* wat zou je van anderen willen ontvangen?
